

To Godrej Appliances Service,

Saturday, Aug 17 2013

I was very delighted to experience such a dedicated service by the godrej team. Lately my Refrigerator GF 42 wasn't working well due to some de-frosting problems and was informed of non availability of spare part in Bhopal market ,since it is an old model Mr. Arun Singh, your branch trainer(Bhopal) and technician Mr . Rinkal Sharma performed a fantastic role in availing and fixing the problem even in harsh weather conditions. Now my refrigerator is working perfectly alright and keeps the family happy. Thanks to Godrej, Arun and its dedicated employees.

Keep it up"

Thanks a lot and good wishes to Godrej,

Sanjay Berdia
