Sir

I have bought a new 650 FDC godrej eon washing machine recently from your coimbatore godrej direct sales office. The installation and demonstration was given by your technician Mr. Perfect Senthilnathan.

He explained the functions and operations very well and he is so soft in nature and clarified all our doubts.

Since good work deserves appreciation i am writing this mail as a satisfied customer and godrej once again proved why it is market leader in consumer durables. Kindly convey my appreciation to the technician and good technicians like him deserves this.

With regards,

Vijayakumar
